- Stainless Steel **NI**
 - AISI 304
 - blank **BL**
- Pin
 - Stainless Steel AISI 304
 - riveted
- Stainless Steel characteristics → Page 1489
- Load rating information of metal hinges → Page XYZ
- RoHS compliant

On request

- other dimensions
- with bores
- other surface types

Information

Stainless Steel-Sheet metal hinges GN 1362 are distinguished by their universally compatible dimensions. The materials used also permit applications in aggressive environments.

Type A is fastened via welding or holes created by the customer.

Thanks to the standard dimensions, special application-specific solutions can be realized even in relatively small quantities.
