Specification

- Aluminum
 - plastic coated
 - black, RAL 9005, textured finish
 - silver, RAL 9006, textured finish
 - anodized, natural color
 - blank
 - tumbled
 - Type B
 - Socket button head screws ISO 7380-M6-25
 - Hexagon nuts ISO 4032-M6
 - Washers DIN 125
- Steel, zinc plated, blue passivated
- Load rating information → Page 1456
 - RoHS compliant

- SW
- SR
- EL
- BL

Information

Inclined cabinet „U“ handles GN 565.2 are produced from profiled aluminum extrusions. Produced from profiled aluminum extrusions their special features are their rigidity and ergonomical shaping.

The angled contact surface allows improved access even in tight spaces such as corners.

The manufacturing process (bending) allows the production of **special lengths** in relatively small quantities.

For type B, socket button head screws, hexagon nuts and washers are included parts of the order.
