light grey
- RoHS compliant

Information

Hub caps GN 576 are used on hand knobs GN 534.8 / GN 534.9 and handwheels GN 577.8 / GN 577.9 / GN 521.8 depending whether either of them is used together with a position indicator or without.

To mount these hub caps, simply snap them in position by hand. To remove them, simply lever them away with the help of a flat screwdriver.
