Specification

- Handle
Zinc die casting
- plastic coated
black, RAL 9005, textured finish **● SW**
orange, RAL 2004, textured finish **● OS**
red, RAL 3000, textured finish **● RS**
silver, RAL 9006, textured finish **● SR**
- Threaded stud and retaining screw
Stainless Steel
German Material No. 1.4305
- *Stainless Steel characteristics* → Page xx
- *RoHS compliant*

Information

Adjustable hand levers GN 602.1 like all the products of the Ergostyle® family are renowned for their good style but also their ergonomic shape.

The gently arched handle with a reinforced end of the lever gives the operator a good grip.

Pulling the lever disengages the serration and allows it to be turned in either direction to reach the ideal new location. On releasing the handle the serrations re-engage automatically.
